Introduction to Maternity
and Pediatric Nursing - E-
Book** Gloria Leifer 2015-01-29
Leifer's Study Guide for

Introduction to Maternity and Pediatric Nursing is a rich resource that enhances your comprehension and application of material from every chapter of the textbook. With a variety of learning activities, critical thinking exercises, case studies, and review questions, this study guide reinforces your mastery of the essential maternity and pediatric nursing concepts and skills you need to pass the NCLEX-PN® Examination and succeed in your nursing career. NCLEX exam-style multiple-choice review questions at the end of each chapter test basic chapter knowledge as well as ask for appropriate nursing actions, what the nurse should expect in terms of medical care of the patient, and what complications the patient is at risk of developing. Case Studies and Applying Knowledge activities provide additional opportunities to apply learned information to clinical care. Thinking Critically activities require you to apply what you've learned in the textbook to new situations

and draw conclusions based on that knowledge. Learning activities include matching, labeling, and completion exercises to help you learn basic concepts of maternity and pediatric nursing.

Crossword puzzles in selected chapters are a nice way to change up the format when testing comprehension of terms and concepts. Answer key is located on the student's Evolve website. Several Thinking Critically sections and case studies with critical thinking questions have been added. Alternate-item format questions are included in the review questions for the NCLEX® Examination.

Organisational Behaviour: Core Concepts and Applications, Fourth Australasian edition, is the ideal resource for a one-semester Organisational Behaviour course. Fourteen concise, relevant and tightly focused chapters, presented in a highly visual manner, are designed to engage rather than overwhelm students.

Numerous case studies and real-world examples throughout the text examine how organisations in the Australian, New Zealand and Asian region are responding to contemporary business issues such as:

- sustainable business

practices and ethical considerations • the gender pay gap • employee stress and work-life balance • workforce flexibility and casualisation • gen Y and the ageing workforce • skills shortages • globalisation • telecommuting • outsourcing • diversity in the workplace and managing cross-cultural teams • the '24/7' nature of contemporary communication technology, including social media. Complemented by the latest research in the field, this text provides a thorough analysis of contemporary organisational behaviour.
