Picture the work you have, and make those difficult decisions, ensuring that all your strength is focused where it needs to be. All your projects and programs make up your portfolio. This book gives you insightful ways to rank all the projects you're working on and figure out the right staffing and schedule so projects get finished faster. The trick is adopting lean and agile approaches to projects, whether they're software projects, projects that include hardware, or projects that depend on chunks of functionality from other suppliers. Find out how to define the mission of your

team, group, or department, with none of the buzzwords that normally accompany a mission statement. Armed with the work and the mission, you'll manage your portfolio better and make those decisions that define the true leaders in the organization. With this expanded second edition, discover how to scale project portfolio management from one team to the entire enterprise, and integrate Cost of Delay when ranking projects. Additional Kanban views provide even more ways to visualize your portfolio.

*Fundamentally Flawed* Joselyn Hasty 2012-11-14 Women dealing with infertility and miscarriage find themselves on a lonely road riddled with emotions like anger, emptiness, worthlessness, and depression. It is difficult for those who have never experienced the feelings of failure that come from being unable to conceive, or the heartbreak of a failed pregnancy to understand the inner turmoil that these women--and their husbands--walk through every month.

Covering such topics as anger and bitterness, worthlessness, longing, the effects of infertility on marriage, the husband's perspective, and adoption, this twelve lesson, biblically-based group study is designed to help women walking through infertility understand and control the emotions they are experiencing, and gain peace and hope by discovering God's role in their lives. Author Bio: Growing up in Greenville, South Carolina, Joselyn is a true southern girl. Her hobbies include scrapbooking, hiking, gardening, shopping, and, of course, writing. She met her husband, James, in 1998, and it was love at first sight. They were married in August of 2001, and moved to northwestern North Carolina in 2004 where they adopted their first child, Isabella, in 2008. Joselyn began her pregnancy quest in 2005. She has tried multiple medications and procedures to overcome infertility, and has felt the grief of miscarriage. It is her desire that the experiences and heartbreak she has come
