Transmitting the Spirit in Missions Amos Jimmy Markin 2019-02-05 Transmitting the Spirit in Missions: The History and Growth of the Church of Pentecost discourses on how Pentecostalism in general has been involved in the current growth, mission, and changing face of global Christianity. It argues that African Pentecostals particularly are an integral part of the global expansion of Christianity in this century. Specifically, this book engages the history and growth of the Church of Pentecost, an African Pentecostal denomination from Ghana, to demonstrate how African Pentecostals have taken their spirituality into their own hands and planted churches in their home country, as well as other parts of the globe. The focus of this book is that African Pentecostals have achieved this feat through the experiential power and reliance of the Holy Spirit and the indigenous factor. The specific highlight is that this book is an updated analysis of the history, growth, and missions of the Church of Pentecost. Although this work is transformed from a PhD thesis, the content is presented accessibly to both the academia and general church populace, both pastors and the laity.

The Holy Spirit Movement in Korea Young-hoon Lee 2009-04-01 This book traces the historical and theological development of the Holy Spirit movement in Korea through six successive periods. These periods are characterized by repentance and revival (1900-1920), persecution and suffering under Japanese occupation (1920-1940), confusion and division (1940-1960), explosive revival in which the Pentecostal movement played a major role in the rapid growth of Korean churches (1960-1980), the movement's reaching out to all denominations (1980-2000), and the new context's demanding the Holy Spirit movement to open new horizons in its mission engagement (2000-). The volume also discusses the relationship between this movement and other religions such as shamanism, and looks forward to further engagement with issues of concern in the larger society.
