Self-Publishing for the First-Time Author

M.K. Williams You've written your first book and you are ready to self-publish it. Congratulations! Now, what steps do you need to take to self-publish? What are the best strategies? How do you ensure retailers and libraries will carry your book? These are a few of the questions that many aspiring authors ask as they set out on their publishing journey. With a decade of experience in the self-publishing space, M.K. Williams has compiled the answers that you need into an easily digestible format to walk you through the publishing process. There are lots of

online gurus who will throw acronyms, jargon, and advanced strategies at you right out the gate. Williams breaks down the practical steps that you need to take as you self-publish your first book. This self-publishing guidebook covers everything from editing, formatting, assigning ISBNs, and selecting your publishing platforms.
