The Challenge of Bible Translation

Zondervan, 2009-05-18 An In-Depth Look at
Bible Translation ·The concerns, issues, and
approaches ·The history ·The ins and outs of the
translation task With a reach that covers the
entire globe, the Bible is the best-selling, most
earnestly studied book of all time. It has been
translated into well over 1,000 languages, from
those of global reach such as English, French,
and Arabic, to a myriad of isolated tribal
tongues. Yet while most readers of the English
Bible have a favorite version, few understand
how the different translations came about, or
why there are so many, or what determines
whether a particular translation is trustworthy.
Written in tribute to one of today's true
translation luminaries, Dr. Ronald Youngblood,
The Challenge of Bible Translation will open
your eyes to the principles, the methods, the
processes, and the intricacies of translating the
Bible into language that communicates clearly,
accurately, and powerfully to readers of many
countries and cultures. This remarkable volume
marshals the contributions of foremost
translators and linguists. Never before has a
single book shed so much light on Bible
translation in so accessible a fashion. In three
parts, this compendium gives scholars, students,
and interested Bible readers an unprecedented
grasp of: 1. The Theory of Bible Translation 2.
The History of Bible Translation 3. The Practice
of Bible Translation The Challenge of Bible
Translation will give you a new respect for the

diligence, knowledge, and care required to
produce a good translation. It will awaken you to
the enormous cost some have paid to bring the
Bible to the world. And it will deepen your
understanding of and appreciation for the
priceless gift of God's written Word.

The Bible Record 1912

HCSB - Bible Translation E. Ray Clendenen
2013-03-01 In Genesis 3:1 the serpent asked the
woman, "Did God really say, 'You can't eat from
any tree in the garden'?" What has God really
said? Before we can obey Him, we must know
what He has said. The Psalmist prayed twice in
his affliction, "Give me life through Your word"
(Ps 119:25, 107). When Jesus was afflicted by
the Devil in the wilderness (Mt 4:1-11), He
defended Himself with the sword of the Spirit
(Eph 6:17) - God's Word. But Christians must
know what God has said if we are to find
strength and healing from affliction and defense
against the Devil. Bible translation is not a
casual enterprise because it involves bringing
the life-saving Word of God to people in their
own language. And selecting a Bible translation
is not on the order of picking out a sweater. It's
more like picking a doctor - someone you can
trust. This book is about how Bible translation is
done. And it commends a particular translation -
the Holman Christian Standard Bible (HCSB) -
as a trustworthy guide to what God has really
said.
