The truth has a way of coming to light, and the Markovs need the support of the Novus Pack now more than ever. Can two broken people create a family and learn to love? Or will Yaelle's tragic past prove to be inescapable? Yaelle Try as I might, I can't escape the nightmare of my time in the lab. Moving to Wolfsbane has opened the world to me and my daughter, Addie. My mate is patient and loving. The therapist assures me I am making headway. Still, I am painfully aware of my shortcomings. On top of that, the Markov brothers want to involve the Witches Council with Addie's plight. Novus Pack World Series Book 2 M. Jayne 2023-10-10 Sarita Adam has never met a woman like me. I'm an ancient Lycan warrior. He's a modern-day human. Yet, fate chose him as my mate. Is our connection strong enough to overcome the obstacles preventing us from being together? Or was our love doomed from the start? Glynn I never wanted to return to Wolfsbane, but I've made the most of it. Meeting Beck was a surprise. I love him too much to be selfish. Yet letting him go will be the hardest thing I've ever done. How can I let him destroy his position and status within his pack by completing the bond with me? Charley There's no explanation for my connection with Alexi or how my body reacts to his touch. The powerful Lycan claims I'm his mate, but some of his kind resent my humanity. Can I put the wounds of my past aside and risk vulnerability for a second chance at love? Luxe I am an Omega wolf. My kind are usually killed or banished from their pack. Call it fear or ignorance, but few wolves seek my friendship. All that changed when I met Lucien St. Cloud. He is a decorated Council Guard. Not to mention being mind-blowingly sexy. A warrior shouldn't want me. I could make him lose his edge. Still, he pursues me with patience and tenderness. I want him more than I've ever wanted anything. Can a tentative wolf like me find the strength to be fearless in love?
