**China's Military Power** Roger Cliff 2015-09-15  
Once termed the 'world's largest military

museum', the Chinese military has made enormous progress over the past twenty years. With skyrocketing military budgets and new technology, China's tanks, aircraft, destroyers, and missile capabilities are becoming comparable to those of the United States. If these trends continue, how powerful will the Chinese military be in the future? Will its capabilities soon rival or surpass those of the United States? The most comprehensive study of its kind, this book provides a detailed assessment of China's military capabilities in 2000 and 2010 with projections for 2020. It is the first of its kind in outlining a rigorous, theoretically and empirically grounded framework for assessing military capability based on not just weaponry but also doctrine, training, equipment, and organizational structure. This framework provides not only the most accurate assessment of China's military to date but an important new tool in the study of military history.

**Paperbound Books in Print 1970****The Unofficial Guide to Cruises** Kay Showker

2004-01-02 The Unofficial Guides® are the "Consumer Reports" of travel guides, offering candid evaluations of all the vital elements of your vacation, all rated and ranked by a team of unbiased inspectors so even the most compulsive planners can be sure they're spending their time and money wisely. Each guide addresses the needs of everyone from families to business travelers, with handy charts that demonstrate how each place stacks up against the competition. Plus, all the details are pulled out so they're extremely easy to scan. The Unofficial Guide® to Cruises looks beyond the glossy cruise line brochures to rate and rank each cruise line and ship so you can find the one that's right for you. We give the inside scoop on cabins, itineraries, service, dining, entertainment, facilities, and shore excursions, and show you how to get the very best deal when you're ready to book your trip. Includes

complete coverage of worldwide cruises, from the Caribbean and Alaska to Europe and Asia. The Top 5 Ways The Unofficial Guide® to Cruises Can Help You Have the Perfect Cruise: More than 120 cruise lines and 350 ships reviewed and ranked for value and quality, plus tips on how to identify the ship that's right for you Industry secrets for getting the lowest possible fare, plus extras like free vacation days The inside story on who your fellow passengers will be Proven strategies for making hassle-free air connections Tips on making the most of your time and money once you're on board *Compass Test Study Guide* Trivium Test Prep (Firm) 2013-08 Think all COMPASS study guides are the same? Think again With easy to understand lessons and over 230 practice test questions designed to maximize your score (plus essay sample questions), you'll be ready. While there is no passing or failing with the COMPASS test, you don't want to waste time - and money - in introductory or remedial college courses. You

want to accelerate your education, not miss opportunities for starting your future career. Every year, thousands of people think that they are ready for the COMPASS but realize too late when they get their score back that they were not ready at all. They weren't incapable, and they certainly did their best, but they simply weren't studying the right way. There are a variety of methods to prepare for the COMPASS...and they get a variety of results. Trivium Test Prep's *Secrets to Outsmart the COMPASS* provides the information, secrets, and confidence needed to get you the score you need - the first time around. Losing points on the COMPASS exam can cost you precious time, money, and effort that you shouldn't have to spend. What is in the book? In our COMPASS study guide, you get the most comprehensive review of all tested concepts. The subjects are easy to understand, and have fully-explained example questions to ensure that you master the material. Best of all, we show you how this

information will be applied on the real exam; COMPASS practice questions are included so that you can know, without a doubt, that you are prepared. Our study guide is streamlined and concept-driven so you get better results through more effective study time. Why spend days or even weeks reading through meaningless junk, trying to sort out the helpful information from the fluff? We give you everything you need to know in a concise, comprehensive, and effective package.

*The Politics and International Relations of Fantasy Films and Television* Joel R. Campbell  
2023-02-09 This book uses several fantasy

movies or movie series and television series to explain political and international relations (IR) concepts and theories. It begins with an overview of the importance of fantasy in literature, film and television, and its increasing impact on the field of International Relations. It then presents the political, IR, and social issues in each franchise, and in five chapters uses these tales' key story arcs or plot points to illustrate major political and IR themes. The volume pays particular attention to such fantasy franchises as Lord of the Rings, Game of Thrones, the Harry Potter films, recent fairytale and children's stories, and female-led fantasy projects.
