Foundation Maths provides you with all the key information that you need to revise and covers the full specification. Each topic in your Edexcel Maths course is clearly covered with retrieval questions to help you check that you've retained what you're learning. We understand the concerns you might have about the amount of knowledge you need to revise for Maths, and to recall and select the right strategies to answer questions in your exams. By working through the Knowledge - Retrieval - Practice sections, you will use proven ways to revise, check and recall so that what you revise sticks in your memory. Knowledge Organisers cover the key information that you need to revise with tailored content for the Edexcel Foundation paper for all topics including ratio, proportion, and measures/compound measures. Worked examples illustrate concepts and help you to

understand how to work through and answer questions. An online glossary helps you to learn the definitions to key terms. Retrieval questions empower you to check that you have retained the knowledge helping you to combat the forgetting curve before you move onto exam practice. Exam-style Practice gives you lots of opportunities to practise the type of questions you will face in your exams with all the answers to practice questions available online plus a mark scheme.
