

A Practical Guide To Splines

If you say that a person is practical, you mean the person behaves in ways that relate more to the realities of the world than to ideas or desires: Practical refers to a person, idea, project, etc, as being more concerned with or relevant to practice than theory: he is a very practical person; the idea had no practical application. You describe people as practical when they make sensible decisions and deal effectively with problems. The meaning of PRACTICAL is of, relating to, or manifested in practice or action : not theoretical or ideal. How to use practical in a sentence. Practical refers to a person, idea, project, etc, as being more concerned with or relevant to practice than theory: he is a very practical person; the idea had no practical application. Choosing between practical ("sensible") and practicable ("possible") often depends on context. Continue reading... A stapler is a practical object — it has a use. A hand-crocheted stapler cozy designed to ... PRACTICAL definition: of or relating to practice or action. See examples of practical used in a sentence. Definition of practical. English dictionary and integrated thesaurus for learners, writers, teachers, and students with advanced, intermediate, and beginner levels. practical: Of, relating to, governed by, or acquired through practice or action, rather than theory or speculation. Practical refers to something that is focused on actual use or practice, rather than being abstract or theoretical. It involves or is concerned with actual application, use, or action.
