Ready-Set-RN Preparing for the NCLEX-RN Assessment Technologies Institute, LLC 2004

Transition from Clinician to Educator Maria C. Fressola 2016-08-01 As the population continues to age and retire, the

shortage of qualified nurse educators continues to grow. Simultaneously, student demand is also increasing. In order to address this current and future need, organizations are looking toward practicing clinicians to fill the gap. Transition from Clinician to Educator: A Practical Approach is a hands-on guide to prepare future educators who are entering the world of education. Written in an accessible style, it focuses on real issues that new educators will face as they move into the classroom. With topics drawn from the authors' own experiences, it is an essential resource to understanding the intricacies involved in being a successful educator.
