The Upstart Guide to Buying, Valuing, and Selling Your Business

Scott Gabehart 1997 A comprehensive guide covering the top three critical issues every business owner faces, this book ensures that all parties understand each other's needs, thus clarifying a complex process and opening the door to successful negotiations. The volume includes an extensive stand-alone glossary of relevant terms and concepts, as well as comprehensive lists of business opportunity sources, contact lists, and reference materials. The disk contains all the forms from the book.

BizPlan Express Jill E. Kapron 1997-08-08 Provides the same great coverage as BizPlan Builder -- Academic Version only in fewer pages. Shortened length allows instructors to include the development of a business plan into their course while covering typical small business management concepts from a main book. Major differences between BizPlan Express and BizPlan Builder -- Academic Version include omitted worksheets and decreased chapter content in BizPlan Express. The table of contents are the same, though BizPlan Express includes more condensed coverage of topics.

Small Business Computing for Dummies Brian Underdahl 1998

Designed for the specific computing needs of the substantial small business market, this book provides the information needed to set up and maintain small office systems. The CD-ROM includes ISP software, organizer demos, an HTML resource document, and a decompression tool.
