Book Review Digest 1981 Excerpts from and citations to reviews of more than 8,000 books each year, drawn from coverage of 109 publications. Book Review Digest provides citations to and excerpts of reviews of current juvenile and adult fiction and nonfiction in the English language. Reviews of the following types of books are excluded: government publications, textbooks, and technical books in the sciences and law. Reviews of books on science for the general reader, however, are included. The reviews originate in a group of selected periodicals in the humanities, social sciences, and general science published in the United States, Canada, and Great Britain. - Publisher.

Dinosaurs: Marvels of God's Design Dr. Tim Clarey 2015-10-23 This book fills a critical need for sound science about dinosaurs from a biblical viewpoint, focusing on the five major dinosaur groups. Dinosaurs are in the news every day, as well as viewed in museums and on science channels. Unfortunately, these portrayals always push an evolutionary agenda. This book counters those arguments with solid, accurate, and biblically-based science: Explains the latest findings in dinosaur biology, behavior, extinction, and more Covers the complete spectrum of dinosaur-related topics, from the earliest dinosaur discoveries to debate over why they went extinct Provides a visually stunning, dynamic exploration into the history of dinosaurs through the most current discoveries few have seen before! Because of secular books and television shows, many Christians have struggled to explain how dinosaurs fit in the biblical timeline. The word "dinosaur" is not found in

the Bible, which has caused some well-meaning Christians to turn to secular science for explanations, including more speculation than actual fact. Unfortunately, this misdirection has caused many people to lose faith in the Bible, especially the young generation. This book will restore faith in the Word of God as it connects the Bible with science. Read and discover how dinosaurs are part of God's creative glory!
