Mama Can You Hear Me? William Waters

2016-06-08 This book tells the story of a young man who struggles to find his way in a world that doesn't seem to want him. He isn't smart enough or handsome enough. His skin is the wrong shade and his shaking nervousness is never understood. From his first steps as a child, he is exposed to life's harsh realities: poverty, violence, sexual abuse, neglect ... until finally, seeking to escape the cruelty and unfairness of the world by immersing himself in its questionable pleasures, he drifts further and further from a salvation he doesn't even know exists. In *Mama Can You Hear Me*, William Waters shares the story of his life with a candor and sincerity that is as touching as it is shocking

at times. With his experiences and soul laid bare, he offers up his journey, from the depths of despair to the welcoming arms of God, who lifted him up, carried him through, and picked him up when he faltered. With faith, determination, and the grace of God, it is the story of a young man who survived.
