

# Document Based Questions Examples

**The Key to Understanding Global History** James Killoran 2007 With this book as your guide, you should find [global history] examinations less difficult and maybe even fun to take ... The focus of [this book] is on teaching you how to answer every type of question ... The first part of the book provides test-taking strategies to help make you "test-wise." ... The second part of the book provides eight content reviews that summarize the main developments of global history. There is also an opening chapter that provides some special tools you will need for understanding global history, and a closing chapter on current global concerns. [Finally], the book provides you with an opportunity to demonstrate your mastery of global history and to identify any remaining weaknesses for your final review ... Reading this book and completing all its exercises and tests will prepare you well for global history tests.-How to use this book

**How to Prepare for the Advanced Placement Examination, AP American History** William O. Kellogg 1993 Includes a review of United States history, from colonial times to the present, with model questions and answers.

Using Primary Sources in the Classroom Kathleen Vest 2005-05-13 Developed by social studies specialists, this resource helps teachers turn classrooms into primary source learning environments. This engaging book offers effective, creative strategies for integrating primary source materials and providing cross-curricular ideas. This resource is aligned to the interdisciplinary themes from the Partnership for 21st Century Skills.

**How to Prepare for the AP U.S. History with CD-ROM** William O. Kellogg 2004-08-01 Added to this currently available test prep manual is

a CD-ROM. It presents a practice test in the computer-based format that closely resembles actual test-taking conditions. The book presents two full-length model Advanced Placement exams in history that closely reflect recent actual exams. All questions are answered and explained. This manual also offers an extensive subject review that covers events from the Colonial era to the present day, plus detailed advice on writing the required history essay.

*Document-Based Assessment Activities* Marc Pioch 2020-03-02 Today's students need to know how to evaluate sources and use evidence to support their conclusions. This K-12 resource for teachers provides instructional support as well as a variety of learning opportunities for students. Through the activities in this book, students will ask and answer compelling questions, analyze primary sources, approach learning through an inquiry lens, and hone their historical thinking skills. The lessons teach skills and strategies for analyzing historical documents, partnered with document-based assessments. Graphic organizer templates help students structure their analyses. This resource written by Marc Pioch and Jodene Smith prepares students for standardized tests and engages students with inquiry. The scaffolded approach to teaching analysis skills can be applied across grades K-12.

**How to Prepare for the Advanced Placement Examination** William O. Kellogg 1996 Updated to cover the most recent current events, this manual offers a general review of U.S. history, and analysis of question types that appear on the AP, plus a full-length model AP test in United States history with answers and explanations. Additional features include details on coping successfully with the test's essay question and hundreds of extra review questions.
