How To Rebuild and Modify Your Manual

Transmission Robert Bowen This resource
explains how to rebuild and modify
transmissions from both rear- and front-wheel-
drive cars. It explains the principles behind the
workings of all manual transmissions, and helps
readers understand what they need to do and
know to rebuild their own transmissions.

Includes how to determine what parts to
replace; how and why to replace certain seals,
spacers, springs, forks, and other parts; and
where to find (and how to measure) the
specifications for each particular transmission.
