Study Guide Kelly Bouas-Henry 2005 By Kelly Bouas Henry, Missouri Western State College, and Douglas A. Bernstein, the Study Guide employs numerous techniques to help students learn. Each chapter—including the optional Industrial/Organizational Psychology chapter—contains a detailed outline, a key-terms section that presents fresh examples and learning aids, plus a fill-in-the-blank test, learning objectives, a concepts and exercises section that shows students how to apply their knowledge of psychology to everyday issues and concerns, a critical-thinking exercise, and personal learning activities. In addition, each chapter concludes with a two-part self-quiz consisting of 40 multiple-choice questions. An answer key tells the student not only which response is correct but also why each of the other choices is wrong, and quiz analysis tables enable students to track patterns to their wrong answers, either by topic or by type of question—definition, comprehension, or application.

1 and 2 Peter Dr. David Jeremiah 2022-04-19

The call to live a Godly life... Follow Dr. Jeremiah through the letters of 1 and 2 Peter in a chapter-by-chapter study that will help you understand what it meant to the people at the time it was written, and what it means to Christians today. Peter—one of Jesus' closest disciples—composed two short letters to Jewish and Gentile believers who were suffering persecution. He offers encouragement and instructions on perseverance and holy, righteous living. He teaches that God can actually use hardships to strengthen Christians and their witness. Each of this study's twelve lessons is clearly organized to include: Getting Started: An opening question to introduce you to the lesson. Setting the Stage: A short reflection to explain the context of the study. Exploring the Text: The Scripture reading for the lesson with related study questions. Reviewing the Story: Questions to help you identify key points in the reading. Applying the Message: Questions to help you apply the key ideas to their lives. Reflecting on the Meaning: A closing reflection on the key teachings in the lesson. —ABOUT THE SERIES— The Jeremiah Bible Study Series captures Dr. David Jeremiah's forty-plus years of commitment in teaching the Word of God. In each study, you'll gain insights into the text, identify key stories and themes, and be challenged to apply the truths you uncover to your life. By the end of each study, you'll come away with a clear and memorable understanding of that Bible book. Each study also contains a Leader's Guide.

1 and 2 Kings Carolyn Nystrom 2018-01-30

Some chose to follow God. Others followed only fame and fortune. They lived through times of difficulty and times of triumph, through political and emotional turmoil, through popularity and through discontent. This ten-session LifeGuide® Bible Study focuses on the character of the kings of the Old Testament and what we can learn from them.

Life Lessons from 1 and 2 Thessalonians Max Lucado 2018-11-27 OVER 2 MILLION SOLD IN THE LIFE LESSONS SERIES! The church in Thessalonica was a study in contrast. They had been a quiet and holy people. But after a while, they had become restless and impatient. They needed direction on how to live. So Paul wrote the young church two letters. The first commended the believers for their faith and encouraged them to continue living according to the gospel principles he had taught. The second letter was filled with helpful hints that corrected their wrong beliefs, assumptions, and behaviors. Whether we are living a quiet and holy life or one that leaves us restless and impatient, Paul's letters encourage us. They challenge us to remain faithful in a temporary world. As you read, study, journal, and discuss the books of 1 and 2 Thessalonians, watch for these key themes that Max will unpack throughout the book: We should live in preparation for Christ's return. God wants holy and pure worship. The time of Christ's return will be unpredictable. How we live our everyday lives, matters. The Life Lessons with Max Lucado series brings the Bible to life in twelve lessons filled with intriguing questions, inspirational stories, and poignant reflections to take you deeper into God's Word. Each lesson includes: An opening reflection on the Bible book you're studying. Background information to deepen your understanding of the cultural and historical setting. An excerpt of the text (from the NIV and the NKJV). Exploration questions with plenty of room to write your own thoughts and notes. Inspirational thoughts from Max as well as a closing takeaway for further reflection. The Life Lessons series is ideal for use in both a small-group setting or for individual study.
