World Cultures Maturing (1000-1450) World Cultures Interacting (1450-1750) World Cultures in the Modern Era (1750-1914) The 20th Century and Contemporary World Cultures (1914-2009) An optional CD-ROM presents two additional full-length computerized model exams with automatic scoring.

Ways of the World with Sources for AP*, Second

Edition Robert W. Strayer
2013-06-10 Comparisons, Connections, & Change- contexts for the particulars
Ways of the World is the textbook preferred by AP World History teachers and students across North America. Like the AP course it supports, Ways of the World focuses on significant historical trends, themes, and developments in world history. Author Robert W. Strayer provides a thoughtful and insightful synthesis that helps students see the big picture. Each chapter then culminates with collections of primary sources (written and visual) organized around a particular theme, issue, or question, thus allowing students to consider the evidence the way historians do. The second edition includes a wealth of supporting resources and supplements for the AP course, including an AP Skills Primer and AP Chapter Wrap-Ups, and rolls out

Bedford/St. Martin's new digital history tools, including LearningCurve, an adaptive quizzing engine that garners over a 90% student satisfaction rate, and LaunchPad, the all new interactive e-book and course space that puts high quality easy-to-use assessment at your fingertips. Featuring video, additional primary sources, a wealth of adaptive and summative quizzing, and more, LaunchPad cements student understanding of the text while helping them make progress toward learning outcomes. It's the best content joined up with the best technology.

Cracking the AP European History, 2002-2003 Edition

Kenneth Pearl 2002-01-29 The Princeton Review realizes that acing the AP European History exam is very different from

getting straight As in school. The Princeton Review doesn't try to teach students everything there is to know about European history--only the techniques they'll need to score higher on the exam. There's a big difference. In *Cracking the AP European History*, TPR will teach test takers how to think like the test makers and - Eliminate answer choices that look right but are planted to fool test takers - Score higher on the multiple-choice section by using the chronological arrangement of questions as clues - Crack the document-based question by knowing the right way to organize the essay - Earn more points by reviewing the European history most likely to be tested This book includes 2 full-length, simulated AP European History exams. All of The Princeton Review practice test questions are like the ones test takers will see on the actual exam, and every solution is fully explained.
