There is a Haynes manual for most popular domestic and import cars, trucks, and motorcycles. By conducting complete tear-downs and rebuilds, the Haynes staff has discovered all the problems owners will find in rebuilding or repairing their vehicle. Documenting the process in hundreds of illustrations and clear step-by-step instructions makes every step easy to follow, with the exact order of assembly and all the specifications needed to complete the job. From simple maintenance to trouble-shooting and complete engine rebuilds, it's easy with Haynes.

Library Confidential Don Borchert 2012-05-31

The public library - a haven of calm, source of information, home to the student, the geek and the aging librarian. Or so you might think. Don Borchert's ten years as assistant librarian have taught him that a library is more than just a place to borrow books, it's also a place where people hide from the law, fall in love, fight, deal drugs, introduce their children to reading, look up porn and pursue their dreams. Borchert's hilarious memoir delves behind the bookshelves as he discovers the weird, dangerous and downright dirty world of a public library and the fearless civil servants who patrol its aisles.
