**Proceedings of the 6th Sriwijaya University Learning and Education International Conference 2024 (SULE-IC 2024)** Meilinda Meilinda 2025-06-14 This is an open access book. Welcome to the Fifth Sriwijaya University Learning and Education International Conference 2024 (SULE-IC 2024). This year the theme of the conference is "Reimagining and Redesigning Learning Toward Equitable Education". The theme of the conference reflects the redesigning of learning for all students in the post-pandemic period in order to overcome learning loss during the pandemic. The theme also made possible the exchange of information, knowledge, experience, and view for improving the quality of learning and research in the world, especially in Indonesia.

Built on the foundation of the new 2000 NCTM Principles and Standards, this major new entry for K-8 math methods has impacted the market because of its point-of-use

links to the standards and its emphasis on the importance of a child-centered approach creating a learning environment that informs teachers how to support children as they build understandings of math concepts. Designed to be neither skimpy nor exhaustive, this text presents theory in an accessible manner and models a wealth of practical activities for teaching. Five videos from the Annenberg/CPB TEACHING MATH video series bring real classrooms to life for teachers and are integrated into the text as four/color, resourceful inserts.
