

A Practical Guide For Writing Proposals

Practical refers to something that is focused on actual use or practice, rather than being abstract or theoretical. It involves or is concerned with actual application, use, or action. Practical definition: Of, relating to, governed by, or acquired through practice or action, rather than theory or speculation. Practical refers to a person, idea, project, etc, as being more concerned with or relevant to practice than theory: he is a very practical person; the idea had no practical application. Mar 14, 2026 · practical (comparative more practical, superlative most practical) Relating to, or based on, practice or action rather than theory or hypothesis. Jack didn't get an engineering degree, but ... You describe people as practical when they make sensible decisions

and deal effectively with problems. Practical refers to a person, idea, project, etc, as being more concerned with or relevant to practice than theory: he is a very practical person; the idea had no practical application. A stapler is a practical object — it has a use. A hand-crocheted stapler cozy designed to keep a stapler warm at night? Not practical at all. If you say that a person is practical, you mean the person behaves in ways that relate more to the realities of the world than to ideas or desires: PRACTICAL definition: of or relating to practice or action. See examples of practical used in a sentence. The meaning of PRACTICAL is of, relating to, or manifested in practice or action : not theoretical or ideal. How to use practical in a sentence.
