Lesson Plans: Health and Fitness CNNfyi.com offers a

collection of high school lessons related to health and physical fitness. Each lesson is based on a CNNfyi.com article. CNNfyi.com, a service of Cable News Network, Inc., seeks to provide resources for integrating current events into the curriculum.

Health and Physical Activity

Pat Richins 2004 Current research shows that children in America are obese and are not getting enough exercise. Adding to this problem are the increasing numbers of children who are not choosing appropriate nutrition. My capstone question is: How can I impact this trend in a local setting? To make a difference, I will develop a resource packet for teachers to integrate fitness, nutrition and healthy lifestyles into their daily curriculum.

All of our content is reproducible and aligned to your State Standards and are written to Bloom's Taxonomy. About GOOGLE SLIDES: This resource is for Google Slides use. Google Slides is free with a Google email account. We recommend having Google Classroom in addition to Google Slides to optimize use of this resource. This will allow you to easily give assignments to students with a click of a button. This resource is comprised of interactive slides for students to complete activities right on their device. It is ideal for distance learning, as teachers can share the resource remotely with their students, have them complete it and return, where the teacher can then mark it from

any location. What You Get: • An entire Google™ Slides presentation with reading passages, comprehension questions and drag and drop activities that students can edit and send back to the teacher. • A start-up manual, including a Teacher Guide on how to use Google Slides for your classroom, and an Answer Key to go along with the activities in the Google Slides document.

K-5 Health and Nutrition Activity Book

Chad Triolet
2012-03-09 At GenMove, we

believe that every child deserves a healthy lifestyle. That every child can contribute to a team. And that every child should experience the thrill of being physically active - regardless of innate ability, past experiences, or physical limitations. We've designed innovative activities and inclusive, non-threatening equipment that will level the playing field to ensure that all students - not just those with a traditional sports background - can experience the benefits of physical activity. Our Health & Nutrition activities teach

fundamental health and nutrition concepts through movement and play. They are designed to spark a lifelong interest in physical fitness and instill healthy habits in order to combat childhood obesity. This K-5 Health & Nutrition Activity Book contains the tools you need to incorporate GenMove activities into your daily lesson plans and engage students in active learning. Each developmentally appropriate activity includes student learning objectives, skills to be learned, equipment needs, set-up diagrams and instructions, and suggested modifications. The curriculum also includes activities that demonstrate student learning while meeting NASPE's Standards. Whether you use this curriculum as a starting point or an enhancement of your movement education programming, we wish you and your students many hours of active play and learning.
