Divided Nation Ken Ham 2021-06-15 Divided Nation: Cultures in Chaos & A Conflicted Church provides families and their churches biblical mandates to awaken and arise as influencers in today's turbulent times. As Christian persecution increases, the Body of Christ needs to prepare to take a bold stand. Ken Ham, CEO and founder of Answers in Genesis-US, the highly acclaimed Creation Museum, and the world-renowned Ark Encounter, sounds the call for Reformation bringing God's people back to the authority of the Word of God beginning in Genesis. Can the church regain a position of influence among this generation of "truth seekers" who reject God and His Word? To combat today's chaotic culture and the conflicted church, Ham addresses five specific issues: There is no neutral position There is no non-religious position There are ultimately only two religions Creation apologetics How to think foundationally to develop a truly Christian worldview Make a stand for the soul of this generation. Divided Nation shines an empowering light on the struggle of the church to retain young believers. Glean from it the issues that must be addressed and find clarity amid the chaos of the culturally conflicted church. "Divided Nation is an excellent call to Christians, pastors and thinkers alike to return to the supreme authority of God's Word and the God of all truth." Jack Hibbs - Calvary Chapel: Chino Hills, CA

Comprehensive Bible Study Lessons Arletta Merritts 2017-03-09 Comprehensive Bible Study Lessons has been written to encourage Bible reading. Lessons were generated from the Old and New Testaments and designed to help Bible readers get an understanding of the Scriptures. The Holy Bible is the most important book ever written. It gives us an opportunity to delve into the mind of God and perceive His majesty, splendor, and magnanimous influence over all creation. We understand that God is in control. As questions are answered in this book, an understanding of God's Word is sure to come. The answers to the questions are placed in the back of the book. Lessons are purely from the

Word of God and do not promote one religion over another. Because the need for God's Word is great, I believe Comprehensive Bible Study Lessons will appeal to all Christians.

Deuteronomy Leader Guide Wayne Barr

2019-01-15 Study the books of Numbers and Deuteronomy, beginning with Moses and Adam numbering the people and ending with Moses' death and the Israelites continuing. Some of the major ideas explored are: identity; the blessing of God; the problems of freedom; realism, faith, and the future; following through; living with consequences; misusing the name of the Lord; observing the Sabbath; love and law; the seriousness of disloyalty; hiding from need; and advancing toward justice. Leader Guide includes: A verse-by-verse, in-depth look at the Scriptures. Background material, including word studies and history of the biblical setting. Answers to questions asked in the Participant Book. Application of the Scripture to daily life situations. Discussion suggestions. A variety of study options. Practical tips for leaders to use. More than 3.5 million copies of the series have been sold. This revision of the Abingdon classic Genesis to Revelation Series is a comprehensive, verse-by-verse, book-by-book study of the Bible based on the NIV. These studies help readers strengthen their understanding and appreciation of the Bible by enabling them to engage the Scripture on three levels: What does the Bible say? Questions to consider while reading the passage for each session. What does the passage mean? Unpacks key verses in the selected passage. How does the Scripture relate to my life? Provides three major ideas that have

meaning for our lives today. The meaning of the selected passages are made clear by considering such aspects as ancient customs, locations of places, and the meanings of words. The simple format makes the study easy to use. Updates will include: New cover designs. New interior designs. Leader Guide per matching Participant Book (rather than multiple volumes in one book). Updated to 2011 revision of the New International Version Translation (NIV). Updated references to New Interpreters Dictionary of the Bible. Include biblical chapters on the contents page beside session lesson titles for at-a-glance overview of biblical structure. Include larger divisions within the contents page to reflect macro-structure of each biblical book. Ex: Genesis 1-11; Genesis 12-50; Exodus 1-15; Exodus 16-40; Isaiah 1-39; Isaiah 40-66. The simple format makes the study easy to use. Each volume is 13 sessions.

Preaching to Convert John Fletcher
 2013-11-13 Preaching to Convert offers an intriguing new perspective on the outreach strategies of U.S. evangelicals, framing them as examples of activist performance, broadly defined as acts performed before an audience in the hopes of changing hearts and minds. Most writing about activist performance has focused on left-progressive causes, events, and actors. Preaching to Convert argues against such a constricted view of activism and for a more nuanced understanding of U.S. evangelicalism as a movement defined by its desire to win converts and spread the gospel. The book positions evangelicals as a diverse, complicated group confronting the loss of conservative

Christianity's default status in 21st-century U.S. culture. In the face of an increasingly secular age, evangelicals have been reassessing models of outreach. In acts like handing out Bible tracts to strangers on the street or going door-to-door with a Bible in hand, in elaborately staged horror-themed morality plays or multimillion-dollar creationist discovery centers, in megachurch services beamed to dozens of satellite campuses, and in controversial "ex-gay" ministries striving to return gays and lesbians to the straight and narrow, evangelicals are redefining what it means to be deeply committed in a pluralist world. The book's engaging style and careful argumentation make it accessible and appealing to scholars and students across a range of fields.
