*Soldier's Manual of Common Tasks* United States Government Us Army 2015-08-18 This publication, Soldier Training Publication STP 21-1-SMCT *Soldier's Manual of Common Tasks: Warrior Skills Level 1* August 2015, contains the individual tasks that are essential to the Army's ability to win on the modern battlefield. In an operational environment, regardless of job or individual MOS, each Soldier risks exposure to hostile actions. This manual contains the warrior skills that Soldiers must be able to perform to fight, survive, and win in combat. This SMCT gives the commander, NCO trainer, first-line supervisor, and individual Soldiers the information necessary to support integration and sustainment training in their units. This information allows trainers to plan, prepare, train, evaluate, and monitor individual training of warrior tasks. Using the appropriate mission-training plan (MTP), military occupational specialty (MOS)-specific Soldier's training publication (STP), and this manual helps provide the foundation for an effective unit-training plan. This manual includes the Army Warrior Training plan for warrior skills level (SL) 1 and task summaries for SL 1 critical common tasks that support unit wartime missions. This manual is

the only authorized source for these common tasks. Task summaries in this manual supersede any common tasks appearing in military occupational specialty (MOS)-specific Soldier manuals. Training support information, such as reference materials, is also included. Trainers and first-line supervisors will ensure that SL 1 Soldiers have access to this publication in their work areas, unit learning centers, and unit libraries. This manual applies to the Active Army, the Army National Guard/Army National Guard of the United States, and the U.S. Army Reserve unless otherwise stated.

**The Soldier's Blue Book** United States Army 2017-07-03 This pamphlet, *The Soldier's Blue Book: The Guide for Initial Entry Training* Soldiers TRADOC Pamphlet 600-4 July 2016, is the guide for all Initial Entry Training (IET) Soldiers who enter our Army Profession. It provides an introduction to being a Soldier and Trusted Army Professional, certified in character, competence and commitment to the Army. Throughout the Blue Book, Soldiers will read and learn about Army ethics and our Values, Culture, History, Organizations, and Training they will receive. It provides assistance with pay issues, leave, Thrift Saving Plans, and organizations that will be available to assist the families. The Soldier's Blue Book is an inspectable item and will be carried at all times. This pamphlet applies to all active Army, United States Army Reserve, and the Army National Guard enlisted IET conducted at service schools, Army Training Centers, and other training activities under the control of Headquarters Training and Doctrine Command (TRADOC).  
US Army Physician Assistant Handbook 2018 "The Army physician assistant (PA) has an important role throughout Army medicine. This handbook will describe the myriad positions and organizations in which PAs play leadership roles in management and patient care. Chapters also cover PA education, certification, continuing training, and career progression. Topics include the Interservice PA Program, assignments at the White House and the Old Guard (3d US Infantry Regiment), and roles in research and recruiting,

as well as the PA's role in emergency medicine, aeromedical evacuation, clinical care, surgery, and occupational health."--Amazon.com viewed Oct. 29, 2020.

Field Manual FM 7-21. 13 the Soldier's Guide Including Change 1 Issued September United States Army 2012-02-05 This Field Manual is dedicated to the men and women of the United States Army in the active component, the Army National Guard and the US Army Reserve- altogether America's finest fighting machine. You are the soldiers that fight and win the Nation's wars. Be proud. FM 7-21.13, The Soldier's Guide, is a pocket reference for subjects in which all soldiers must maintain proficiency, regardless of rank, component or military occupational specialty (MOS). It condenses information from other field manuals, training circulars, soldier training publications, Army regulations, and other sources. It addresses both general subjects and selected combat tasks. While not all-inclusive or intended as a stand-alone document, the guide offers soldiers a ready reference in many subjects. FM 7-21.13 is divided into seven chapters. Chapter 1 describes the importance of Army Values and

the obligations of every soldier. Chapter 2 provides a short history of the Army and examines the environment in which it operates. Chapter 3 addresses the duties, responsibilities and authority of the soldier, how to present a military appearance, and an introduction to the Uniform Code of Military Justice. The importance of customs, courtesies, and traditions is in Chapter 4. The soldier's role in training and a brief description of training management are in Chapter 5. Chapter 6 discusses the importance of counseling and professional development. The benefits of serving in the Army are described in Chapter 7. The appendices contain specific combat tasks that are important to every soldier and information on programs the Army offers to assist soldiers and their family members. The Soldier's Guide provides information critical to the success of soldiers in the operational environment. Reading this manual will help prepare soldiers for full spectrum operations and is a tool in building the Future Force soldier. This book will be useful to every soldier who reads it.
