Communication Ms. Sharbi Banerjee 2024-07-03 Today, communication is an essential skill for every millennial student's success. With millennials' preference for digital communication, changing professional paths, and increased competitiveness, it's crucial to improve students' communication abilities beyond language. To succeed in future collaborative workplaces, students should not rely solely on memorizing tips and methods for interviews or performance reviews. To succeed in future industries, students must possess strong communication skills, both

verbal and nonverbal, as well as an awareness of new communication tools. This book is unique in several ways: We are both experienced faculties of English language and communication, and use our expertise to serve college and university students to enhance their pronunciation and communication skills. We anticipate that this book will be valuable not just to the target societal, but also to everyone looking to improve their skills in communication and language. The book is based on our teaching expertise in English. The majority of the information comes from our notes and other sources. Unfortunately, the sources were not well documented or available, making it hard to make precise acknowledgements.
