Outsmart the Money Magicians: Maximize Your Net Worth by Seeing Through the Most Powerful Illusions Performed by Wall Street and the IRS

Christopher R. Manske
2023-11-14 A Wall Street insider draws back the curtain on how financial firms take advantage of individual investors—and delivers the information and insights you need to turn the tables. Nationwide brokerage firms have perfected the secrets for how to legally fool the rest of us into giving them our hard-earned money. Written by a renowned leader and financial reform advocate who has seen every trick in the book firsthand, *Outsmart the Money*

Magicians reveals how biased the financial system often is, and helps you see through the illusions, understand exactly what is happening with your money, and make investing and tax decisions accordingly. You'll learn everything there is to know about how often Wall Street and the IRS rely on hard-to-see deceptions that encourage the public to behave a certain way, including: Encouraging people to save a fixed amount each month in an illusion called Pay Yourself First Hiding the profits created by dividends and rebalancing, to motivate people to sell investments worth keeping Leveraging fear of the higher "tax bracket" to incentivize us to spend more money on government-approved deductions Giving every member of their salesforce the same "advisor" title even though they often have very different offerings like mortgages, insurance, and credit cards Forcing advisors to use their customers like products whenever they change firms Refusing to

Online Marketing HACKS

DIXITA GALIYAL 2019-08-29

This is a Pulse-Pounding and Smart Guide to give you all the tasty informational hacks on Online Marketing. Today in this age, anything and everything can be solved with the help of marketing. And to do great marketing, you don't have to be a pro at it. Just be a learner. Like I always say, Keep Learning and Keep Evolving. Whatever you do in life both on professional and personal levels, any problem you face, maybe at school or at work or even at home, its only because of poor marketing. If you visit my house, specially my room, you'll be stunned. You'll think you've landed at a library. I have huge piles of books on various versatile topics ranging from Online Business to Marketing Strategies, to Business Guides, to Entrepreneurship, to even Fiction. I'm a firm believer in learning. If you believe in learning, irrespective of your age, language and location,

then you'll be successful. I've always been learner and this habit of mine has helped me shape who I am today. It's funny that majority of people still don't know the power of good marketing. Those who know, have mastered it already and have taken their business to a whole new level altogether. Stuck with a math problem? Or with an HTML code of your site? Or facing issues with selling products online? Or have difficulty with promotion of a product? The answer to all the problems, is - GREAT MARKETING. In this book, I've listed out and described some not so common hacks on Online Marketing, that I've learnt and implemented over the last 10 years. The advantage here lies with the reader, as I've not written any chapter very long and boring. So, you can start from the very beginning or start from the middle from any particular chapter. Yes, you heard it right. Jump on to any chapter. Learn it, and then go to your business or a blog/website maybe, to

implement it. You can even implement some of the hacks to your personal life too. In order to start seeing results, you should implement the strategies from this Guide as soon as possible. There's a competitive world. If you waste time thinking about the ways to develop or design anything, let's say a blog to attract customers, trust me you'll keep thinking for minutes, for hours and even for days. Thus, it is profitable for anyone who starts immediately, because by the time you decide to buy a domain or just decide on a domain name, hundreds of blogs are already published and running. So, I'd recommend you not to overthink. Just do it! Please take few minutes to rate and write reviews for my book on Amazon. Remember, every single problem or challenge can be solved with good marketing, provided you understand it very well! Lastly, without wasting any more time, let's dive right into the Book!
