From One Father to Another

Kevin Robert Jarvis 2020-04-30

Have you ever questioned how God can allow so much evil and suffering in this world?

Perhaps you are kept awake at night wondering if God even hears your prayers at all. Do you get anxious speculating if God has a specific plan for your life? Is Christianity more true than other religions? Maybe you have even questioned if our gift of free will is worth the horrific consequences that we see so often on the daily news. During an afternoon walk, Kevin was pondering some of these same questions. One kept nagging at him: why would God create us to live in such a broken world? As he walked in silence, the question continued to haunt him. God answered him in the depths of his heart

with a question of his own. "If you are willing to question why I would bring my children into such a fallen world, then how do you justify bringing your own three children into the same world?" The answer was the start of a journey, a humble journey into the heart of God, which became From One Father to Another.

Narnian Virtues Thomas

Lickona 2021-11-25 In this

engaging and practical book

Mark Pike and Thomas Lickona

show how C.S. Lewis' wisdom for nurturing good character,

and his much-loved Chronicles of Narnia, inspire us to virtue.

Drawing upon the Judeo-

Christian virtues of faith, hope

and love and 'Narnian' virtues

such as courage, integrity and wisdom, they present an approach to contemporary character education validated by recent research. An introduction to C.S. Lewis' thought on character and faith is followed by practical examples of how to use well-known passages from the Narnia novels as a stimulus for rich character development at home and in the classroom.

J. Krishnamurti and Sant Kabir

Rohit Mehta 1990 From Kabir to Krishnamurti is a far cry.

For, they are separated one from the other by over five centuries. But quantitative measurement of this distance has a qualitative aspect which cannot be measured in any time-scale. Two great seers lived in two completely different worlds-with no comparison between the two. And yet they expressed their thoughts and experience not only in a similar language but almost in identical terms. In these two streams of thought represented by Kabir and Krishnaji, the authors note a fascinating parallelism. These streams run parallel to each other-and yet they meet from time to time-at the intersections between the two approaches to life. J.

focuses on these meeting points between the two approaches to life. The book also presents the intersections between the writings and sayings of Kabir and Krishnaji.

Building Character Randy Traeger 2014-12-04 What mother doesn't want her son to be respectful? What father doesn't want his daughter to be chaste? While Americans might disagree about a lot of things, it seems we are united by a basic set of socially objective

virtues that transcends religious and political differences. We can and should use this common ground to help us reconstruct and solidify our moral foundations. Never before have our young people been fed from such a garbage can of media content: vulgarity, violence, drug and alcohol use, and sexual promiscuity. It's no wonder so many of us are sick. To obtain emotional, social, and spiritual health, we need a model for life that is based on virtue. Building Character One Virtue at a Time contains a treasure trove of inspiring quotes, stories, and essays about 52 unique virtues.

Readers will begin to form a more virtuous self image as they identify who they truly are, where they belong, and where they need to go in order to be contributing members of our society and to live fulfilled lives.
