Human Rights and Ethics: Concepts, Methodologies, Tools, and Applications Management Association, Information Resources

2014-09-30 In today's increasingly interconnected and global society, the protection of basic liberties is an important consideration in public policy and international relations. Profitable social interactions can begin only when a foundation of trust has been laid between two parties. Human Rights and Ethics: Concepts, Methodologies, Tools, and Applications considers some of the most important issues in the ethics of human interaction, whether in business, politics, or science and technology. Covering issues such as cybercrime, bioethics, medical care, and corporate leadership, this four-volume reference work will serve as a crucial resource for leaders, innovators, educators, and other personnel living and working in the modern world.

Study Guide W/Answers for Essentials of Business Law and the Legal Environment Mann 1995-01-01

The Fifth Edition of this popular text offers complete coverage of business law and its environment in a non-technical, straightforward style. (Coverage is less technical than that in Smith and Roberson, Ninth Edition.) Cases are summarized and integrated into the chapters. Legal issues and court decisions are carefully explained with a minimum of legal jargon. Essentials covers all required business law topics for the CPA exam. The Fifth Edition includes a chapter on environmental law and features The Law and You, Ethical Dilemmas, and Law in the News.
