**The Other Side of the Hill**

Don Nixon, PhD 2012 When  
tourists visit Canada's  
Parliament Hill, they see the  
beautiful Parliament Buildings,  
and the Mounted Police in their  
world-famous uniforms, and if  
they want they can tune in  
their televisions and watch the  
politicians arguing on Question  
Period. This is one side of the  
Hill, but there is another side -  
a side filled with behind the  
scenes stories. If you are  
interested in learning about the  
terrible discomfort our hard-  
working politicians had to  
endure in the hot, smelly  
Centre Block during the  
Victorian era, then this book is  
definitely for you! Learn about  
the fire of 1916 and that it  
probably was not an accident.  
Find out the surprising way  
workers used to make the  
copper roofs go green and why  
Queen Victoria's magnificent

lion might be a tad lacking. With this book, written with flair and humor, Don Nixon takes you on a behind the scenes journey that not only has its pitfalls and pratfalls, it holds the determined spirit of a young nation up for all to see and admire.
