Ride Or Die Chick II J. M. Benjamin 2013-04-18

According to Telfon Jackson, she has nothing else to live for. Having lost the only man she ever truly loved to the streets of Virginia, and with a child she gave up for adoption somewhere in the world, she cant decide whether to continue to ride out her current predicament or to end her life and meet up with her other half-until she is given another reason to live. Richard Robinson, aka Richie Gunz, the father of Treacherous Freeman, finds a way to reach out to Teflon while finishing up his last ten years in federal prison for armed robbery. Instantly the two form a father-daughther relationship thicker than thieves from behind prision walls. Upon his release, Richie vows to find the wherabouts of his grandchild and to do everything in his

power to aid Telfon in her situation, and re-enters the streets of Virginia after being absent for nearly three decades. With Telfon's second chance at life, she is faced with the decision to live the way society deems best or to choose life over death and become a ride or die chick-again.

Carl Weber Presents Ride or Die Chick 3 J.M. Benjamin

2015-03-01 Imagine being the product of one of the most notorious criminal couples ever to terrorize the state of Virginia. Imagine your father choosing death over life in prison because he thinks he has no reason to live. Imagine your mother trying to kill herself and you to protect you from the world. Then imagine growing up parentless in a society you seem not to fit in-until you meet someone else who feels the same way. If you can imagine all of this, then you will be intrigued by the story of young Treacherous Freeman and Baby Love. Nearly two years after the death of his mother,

Treacherous is faced with a situation that causes him to unleash all that has been bottled up inside him. His actions ultimately land him in a place that surprises even him. Despite growing up with both parents and strong family values, Baby Love feels her life is not too far from hell. Deceit, betrayal, and deception are the contributors to Baby's sudden change. They are the very same things that land her in a predicament that has her craving for vengeance. As fate would have it, Treacherous finds himself drawn to the girl that reminds him so much of his mother. The chemistry between him and Baby is undeniable, and a twisted love connection is born. Fueled by pain, they form a bond that Treacherous has always dreamed of and Baby never thought existed.
