Study Guide Helen Brubeck
2006-12-22 Study Guide
including DEMO DOCS and e-
Working Papers -- Introductory
accounting students
consistently tell us, When
doing homework, I get stuck
trying to solve problems the
way they were demonstrated in
class. Instructors consistently
tell us, I have so much to cover
in so little time; I can't afford
to go backwards and review
homework in class. Those
challenges inspired us to
develop Demo Docs. Demo
Docs are comprehensive
worked-through problems
available for nearly every
chapter of our introductory
accounting text to help
students when they are trying
to solve exercises and
problems on their own. The
idea is --help students
duplicate the classroom

experience outside of class.
Entire problems that mirror
end of chapter material are
shown solved and annotated
with explanations written in a
conversational style, essentially
imitating what an instructor
might say if standing over a
student's shoulder. All Demo
Docs will be available in the
study guide--in print and on CD
in Flash so students can easily
refer to them when they need
them. choice and short answer
questions for students to test
their knowledge. Free
electronic working papers are
included on the accompanying
CD.
