Top of Heart Grant Muller 2023-07-10 ****Business Book Awards 2024 Finalist**** Achievement almost killed him. Fulfillment saved him. Grant Muller was nearly killing himself - quite literally. A desperate quest to get rich had made him a millionaire before the age of 30 but then taken him to the brink: homeless, living on drugs and hustle. If his lifestyle didn't end him, one of the thugs he owed money to would surely do the job. So when he finally got off the streets and got clean, he knew everything had to change. He reinvented himself, and along the way came to understand that real success in sales isn't just about the hustle, or about being top of mind. It's about the human connections you create. In transforming his own life, he transformed his understanding of business. Today he earns his millions as a real estate agent, living and working with a 'Top of Heart' philosophy, the true source of authentic connection, fulfillment and success. His remarkable story is a call to a new, more human approach to business that might just save YOUR life, too. 'Real-world urgency... A must read.' Robert Reffkin, Founder & CEO, Compass Real Estate

Teaching English in Middle and Secondary Schools Rhoda J. Maxwell 2001 For courses in Secondary English Methods. This text offers a comprehensive and up-to-date view of teaching secondary English based on sound research and classroom practice. The third edition reaffirms the value of a holistic, integrated approach to teaching English language arts. While separating the language arts into separate chapters, the strands are reconnected in every chapter. A separate chapter is devoted to grammar, giving this component focused attention. Materials and instructional strategies for students with increased diversity and needs are offered in greater detail. Problem-solving skills and reflective applications, integrated into chapters as simulations, are included to heighten the reflective skills of novice and experienced teachers.
