The Chicken Bible America's Test Kitchen 2021-02-02 Poultry enthusiasts unite! ATK has you covered from the basic to the spectacular with 500 recipes that deliver low-key dinners, game-day favorites, simple sandwiches, special-occasion showstoppers, and beyond. You can call chicken a lot of things. Blank canvas, weeknight go-to, lean protein, we've heard it all. But boring? That's where we draw the line. Sure, it might have started to feel a bit redundant. But that's not the chicken's fault. ATK is here with the inspiration you need. It's time those chicken pieces in your freezer got the respect they deserve. Chicken is the go-anywhere, eat-with-anything, highly transformable crowd favorite that always fills the bill. Find exactly what you're looking for (and more!) with a wide breadth of themed chapters, including Easy Dinners, Classic Braises, Breaded and Fried, Pasta and Noodles, Savory Pies and Casseroles, and appliance-specific recipes. There's even a dedicated chapter of recipes for cooking for two. And with an introduction detailing how to prep any chicken part, from pounding breasts and preparing cutlets, to whole bird skills like butterflying or breaking down a chicken, you'll be a poultry pro in no time. Cozy up to succulent roast chickens with sauces made from pan drippings, sink your teeth into the crispiest, crunchiest fried chicken you've ever had, try your hand at sous vide for unbelievably moist chicken, or fire up the grill for anything from kebabs to beer can chicken. Feel like wingin' it? Us too. Our favorite is our

game-changing Korean Fried Chicken Wings, double-fried so they stay extra-crispy under their blanket of spicy, salty, slightly-sweet sauce. With over 500 recipes, you could eat chicken every night and never tire of it. (And yes, that's a challenge.)

The America's Test Kitchen Cooking School Cookbook America's Test Kitchen 2013-10-15 A landmark book from the test kitchen that has been teaching America how to cook for 20 years. We launched the America's Test Kitchen Cooking School two years ago to teach home cooks how to cook the test kitchen way, and since then thousands of students have taken our interactive video-based online courses. The America's Test Kitchen Cooking School Cookbook shares the same goal as our online school and brings all our best practices—along with 600 all-time favorite recipes—into one place so that you can become a better, more confident cook. There is no better way to learn than seeing an expert in action, so we've included over 2,500 color photos that bring you into the test kitchen so you can see how to prepare recipes step-by-step. The book starts off with an exhaustive 46-page Cooking Basics chapter that covers everything from what equipment you need (and how to care for it) to test-kitchen tricks for how to make food taste better. Then we move on to cover all the major cooking and baking categories, from meat, poultry, and pasta to breads, cakes, and pies. Illustrated Core Techniques, like how to whip egg whites, roast a chicken, or bake flawless pie dough, focus on the building block recipes everyone should know. Recipe Tutorials that each feature 20-35 color photos then walk readers through recipes that are either more complicated or simply benefit from the visual clues of step photography, like Extra-Crunchy Fried Chicken, Sticky Buns with Pecans, and Deep-Dish Apple Pie. Every chapter ends with a library of the test kitchen's all-time favorite recipes, such as Pan-

Seared Steaks with Red Wine Pan Sauce, Meatballs and Marinara, Best Vegetarian Chili, Memphis-Style Barbecued Ribs, and New York-Style Cheesecake—more than 600 in total—that will allow home cooks to expand their repertoire. The America's Test Kitchen Cooking School Cookbook is a how-to-cook book that also explains why recipes succeed or fail, which makes it the ideal book for anyone looking to cook better.
