**AFAA Personal Trainer Study Guide** Trivium Test Prep 2013-06-19  
When it comes to the AFAA Personal Trainer certification exam, you want to be prepared, and you will be with our book designed to making studying fun and easy! You don't want to waste time and money! taking your AFAA Personal Trainer certification exam twice...or more. You want to accelerate your education, not miss opportunities for starting your future career! Every year, thousands of people think that they are ready for the AFAA Personal Trainer certification, but realize too late when they get their score back that they were not ready at all. They weren't incapable, and they certainly did their best, but they simply weren't studying the right way. There are a variety of methods to prepare for the AFAA Personal Trainer certification....and they get a variety of results. Trivium Test Prep's AFAA Personal Trainer certification Study Guide provides the information, secrets, and confidence needed to get you the score you need the first time around. Losing points on the AFAA Personal Trainer certification can cost you precious time, money, and effort that you shouldn't have to spend. What is in the book? In our AFAA Personal Trainer certification study guide, you get the most comprehensive review of all tested concepts. The subjects are easy to understand, and have fully-explained example questions to ensure that you master the material. Best of all, we show you how this information will be applied on the real exam; AFAA Personal Trainer certification practice questions are included so that you can know, without a doubt, that you are prepared. Our study guide is streamlined and concept-driven not filled with excess junk, silly attempts at humor, or confusing filler so you get better results through more effective study time. Why spend days or even weeks reading through meaningless junk, trying to sort out the helpful information from the fluff? We give you everything you need to know in a concise, comprehensive, and effective package. Why trust Trivium Test Prep? Our AFAA Personal Trainer certification study materials are created by industry and educational experts. Other study guides simply tell you what is on the test, not how that material is applied or, more importantly, HOW TO STUDY FOR IT. Trivium study guides are different. Our dedicated professionals know how people think and learn, and have created the AFAA Personal Trainer certification study guide based on what research has shown to be the fastest, easiest, and most effective way to prepare for the exam. Unlike other study guides that are stamped out in a generic fashion, our AFAA Personal Trainer certification study guide is specifically tailored for your exact needs. We refuse to pad a study guide as a means to convince people there is more information; this is a devious trick used to make you think you are getting more, when really it's all just wasting your time.
