**Christian Herald** 1961

BITE SIZED BITS FOR COMMON SENSE MANAGEMENT GERARD ASSAY 2012-11-15 Communication is not always through sound or language. Much can be said with gestures and movement of eyes. In fact, more often than not, it is the body language that 'says' more than words. Now discover all the finer points and the nuances of body language in this masterly work. How does a thumb gesture display dominance, superiority and aggression? How does dilation of eyes send a romantic signal? What does a sideways glance indicate? Given these incredible insights, the book can prove to be of immense use for professionals like advocates, doctors, policemen, judges, salesmen, politicians, judges, executives, bureaucrats and customers etc - in short, people who are essentially in public dealing. But then, it is for all, a true guide for analysing behaviour and attitudes.

**Factsheet Five** 1989

Business Review 2002

**Management Planning for Survival and Growth** David C. Johnston 1984

**Managing Information** 1996

**The Economist** 2000

Bite Sized Bits on Common Sense Management Gerard Assey 2004-04 The book details the basics of Frontline Sales Management and broadly covers all aspects of managerial skills presented by a veteran with over two decades experience in sales and sales management.
