Dance with Me, Papa: Life with(out) My Celebrity Father Rita Reinecker 2014-03-14

For Rita Reinecker, life as the daughter of a well-known writer was far from a fantasy. Rita's father was Herbert Reinecker, a prolific German novelist, dramatist, and screenwriter who lived in his own world of plot and dialogue. She grew up feeling not pretty enough for her father and not good enough for her mother. Her life revolved around her emotionally unavailable father, who blew in and out of her life. Rita longed for a normal family life, and the incessant hunger for acceptance left the growing girl wanting much more. Always looking for signs that her papa loved her, she lived on an emotional rollercoaster of hope and disappointment. Wanting only to be loved, Rita hurled herself into many relationships.

Meanwhile, life with her controlling mother bred low self-esteem and self-doubt, leaving her feeling inadequate, unloved, and unwanted. Now, in her memoir, she recalls her lifelong search for her father's love and explores how she came to terms with its effects on her life.

An Inevitable Duets Romance When dance instructor Jamie Griffin choreographs a contemporary ballet pas de deux to a love song by rock band Inevitable Thorns, he doesn't expect the band's keyboardist, Beau Davis, to witness it. He definitely doesn't expect the steamy one-night stand that follows. Beau leaves to continue touring, but he can't get Jamie or his passion out of his head... especially once a video of the dance goes viral. This leads to a chance for the two of them to reconnect on tour, with Jamie performing his dance while the band plays live. The lines between a casual fling and a forever romance blur as rock music and ballet join to create magic onstage. That magic suffuses their relationship too, but the price of fame is steep. When an explosive interview threatens the foundation of what they're building together, will Beau and Jamie set the record straight and define their relationship—and their art—on their own terms? Or will the stars they're reaching for elude their grasp?
