Red Devil Tales: A Son's Journey to Discover His Father's Legacy

Ronald Sexton 2017-02-17 Ronald Sexton was only five years old when his father retired from coaching. He remembered very little of his dad's life as one of North Carolina's outstanding high school basketball coaches in the 1950s. Years after his father's passing and after attending his father's induction ceremony into Lenoir County's Sports Hall of Fame, Ronald was determined to learn more about his father's legacy as a basketball coach. He traveled from Louisiana to e

The Grey Zone Don Easton 2019-10-12 The thirteenth Jack Taggart Mystery pits Jack against a group of ruthless kidnappers. The thirteenth Jack Taggart Mystery pits Taggart and his team against a group of ruthless kidnappers who have insider knowledge of police investigations within the Major Crimes Unit. He identifies one of the kidnappers and goes undercover with new operative Alicia Munday in an elaborate sting to lure the rest of the gang into a trap. Taggart is with the kidnappers on the day the trap is to be sprung, but he discovers they've already kidnapped another victim and they are both to be murdered in the belief that the police will pin the kidnapping on him. Still deep undercover, Taggart will have to come up with a risky plan for their survival before it's too late.

The Devils' Tarot Kenneth Helton 2012-04-11 "Divination from Hell comes with unfair advantages, as one would expect. Oracles are fun, but this book comes at the future with a proactive, take-no-prisoners attitude using birth dates as power. The zodiac is expanded to triple, and all thirty-six landscapes are described with Devilish accuracy and entertaining insight. The traditionally obscure trumps of the Major Arcana are revealed in a Hellish, new light, and are, finally, made useful to the inquiring mortal. THE DEVILS' TAROT is a highly original and brilliant synthesis of Eastern and Western Astrology, Numerology, and Tarot with a fool-proof sports betting and dating guide thrown in for good measure. Don't make love or war without it."

Devils Hole Bill Branon 1996-03-21 From the author of *Let Us Prey* comes an electrifying novel of murder and deceit, passion and violence. A scarred Vietnam veteran turned modern-day avenger, Arthur roams the country dealing swift justice to society's predators. In Las Vegas, he confronts his most daunting target yet--just as he stumbles on the woman who can make him whole again.

Lucky Devils Kit Chellel 2026-04-14 The rollicking true story of a trio of gamblers hell-bent on beating the house, who used their ingenuity to rake in hundreds of millions of dollars, transforming the way betting games are played. In the late 1970s, three men declared war on the casino. They were card counters and misfits who arrived in Las Vegas determined to make their fortune. When blackjack got too easy—and they got kicked out of too many casinos—they aimed for bigger prey. Could they predict a roulette wheel's outcome by sight alone? Use computers to "solve" poker? Anticipate game-day outcomes better than veteran bookies? Crunch enough numbers to predict which horse would come in first? Using innovative strategies and technology that was decades ahead of its time, they did all that and more. They became pioneers of "advantage play." Their pursuit of an edge would take them from the Las Vegas Strip to the grand casinos of Northern Europe to the sprawling, 85,000-capacity racetracks of Hong Kong. For more than thirty years they faced down angry pit bosses, violent mafiosos, bankruptcies, nights in foreign jails, lawsuits, and personal betrayals. They learned that the only thing harder than reaching the pinnacle of gambling is staying there. Drawing from exclusive interviews with the three players and their associates, award-winning Bloomberg journalist

Kit Chellel delivers a cinematic and often uproarious account of fortunes gained, lost, and gained again. Scrupulously reported and irresistibly told, *Lucky Devils* reveals how these players did more than simply amass wealth; they revolutionized the game itself. Along the way, they defied gambling's oldest rule. The house doesn't always win.
