Become part of the Gilbreths and experience what it's like to be part of a large family. The pre-reading and vocabulary sections prepare students for the upcoming chapters. Get an idea of what an efficiency expert is like by brainstorming what their goal might be. Identify statements about the Gilbreth's car as true or false. Describe how the children convinced their parents to buy a family dog. Explore the Gilbreth's life view by finding more efficient ways to do things in the classroom. Investigate the life of F.W. Taylor, whose achievements influenced the Gilbreth's work in efficiency. Using a chart, compare the traits of Mr. Gilbreth with another character in the novel. Aligned to your State Standards and written to Bloom's Taxonomy, additional crossword, word search, comprehension quiz and answer key are also included. About the Novel: A classic story of a family of twelve children and their adventures while growing up together. Frank and Lillian Gilbreth were renowned efficiency experts, who often practiced their many different theories and experiments on their large family. Written with wit and humor, the book documents a multitude of humorous and touching vignettes—some hilarious and others nostalgic and heart-warming. Family adventures include the family car, a vintage Pierce-Arrow, which is used by the parents for Sunday drives and causes the children no end of embarrassment. As well as a trip out west to visit Mother's straight-laced family. It is a story in which most families will readily identify, and keep the reader turning the pages to the very end.
