New York Math: Math A 2000

Geometry Ron Larson 1995

Cases on Technology Integration in Mathematics Education Polly, Drew 2014-09-30 Common Core education standards establish a clear set of specific ideas and skills that all students should be able to comprehend at each grade level. In an effort to meet these standards, educators are turning to technology for improved learning outcomes. Cases on Technology Integration in Mathematics Education provides a compilation of cases and vignettes about the application of technology in the classroom in order to enhance student understanding of math concepts. This book is a timely reference source for mathematics educators, educational technologists, and school district leaders employed in the mathematics education or educational technology fields.
