Introductory Chemistry for Today Spencer L. Seager 2004

Distinguished by its superior allied health focus and integration of technology, Seager and Slabaugh's **INTRODUCTORY CHEMISTRY FOR TODAY**, Fifth Edition continues to lead the market on both fronts through numerous allied health-related applications, examples, boxes, and a new Companion Web Site, **GOB ChemistryNow**(tm). In addition to the many resources found in **GOB ChemistryNow**, this powerful new Web site contains questions modeled after the "Nursing School and Allied Health Entrance Exams," and NCLEX-LPN "Certification Exams". The authors strive to dispel users' inherent fear of chemistry and to instill an appreciation for the role chemistry plays in our daily lives through a rich pedagogical structure and an accessible writing style that provides lucid explanations. In addition, Seager and Slabaugh's **CHEMISTRY FOR TODAY**, Fifth Edition, provides greater support in both problem-solving and critical-thinking skills. By demonstrating how this information will be important to a reader's future career and providing important career information online, the authors not only help readers to set goals but also to focus on achieving them.
