Bread Pudding Recipes Ann Sullivan 2017-05-18 "I have a fetish for bread pudding. Any time we go out to eat at one of the local buffets, and fresh homemade bread pudding is on the menu, I have a very hard time not gorging myself on this devilish delicacy. I honestly can't get enough of it and I am hopeful that you have several varieties for me to try here at home." Who doesn't enjoy a good bread pudding. My family likes the stuff so much I find myself making it at least once a month, if not twice. I grew up on bread pudding myself, as it was a very cheap and easy way to provide a sweet treat for all the family members. I have included a wide variety of bread pudding recipes within these pages and I am sure you will find a handful that your family falls in love with. This is one of those desserts that can be served any time of year, and goes great with any holiday or family get together. As always, I love to hear from my readers and would appreciate it if you would drop me a line from time to time and let me know what you enjoy, and what you would like to see recipes for next.
