Christmas Story in Prophecy Rose Publishing 2013-12-06 The Christmas Story: Scripture from the Gospels and the Prophets Here is the story of Jesus' birth and the fulfillment of Old Testament prophecies in a beautiful ebook that can be used as a handout at Christmas and as a Bible study to use during Advent. Using traditional wording from Matthew and Luke's Gospels, and beautiful full-color art, this ebook starts with the angelic announcement of John the Baptist's birth and the angel Gabriel's visit to Mary. It continues with Mary and Joseph traveling to Nazareth, the birth of Jesus, and the visitation of the shepherds and the Wise Men. It ends with the Gospel story and a forward look toward Christ's second coming. This beautiful

ebook will be treasured. Contains suggestions for Advent celebrations and traditional suggested readings; also includes suggestions for using the ebook as a Christmas program script. Ideas for Use Questions for Discussion or Journaling: •Read "The Advent of Hope" (panels 1-4). In the New Testament, John the Baptist fulfills the role of Elijah (also known as Elias in some Bible versions). What did the ancient biblical prophecies say he would do and why? •How did Jesus fulfill Psalm 89:3-4? What is the connection between Jesus and King David? •How did Mary respond to the angel's message? How did Joseph respond? How does the Lord deal with our own confusion in life? •Read "The Advent of Peace" (panels 5-6). In those days, the most powerful man in the world was Caesar Augustus. Look at the Old Testament prophecies. How is Jesus similar and different from Caesar? You may want to compare their status in society, their wealth and power, and their effect on future societies. Both would bring a kind of peace to the world. How would you describe the differences? •Read "The Advent of Joy" (panels 8-9). King Herod of Judea was one of the most ruthless rulers of the time. As a baby, Jesus had powerful enemies and his life was in danger. How did God protect him? Many people expected Jesus to be the Messiah for the Jewish people only, but God's plan was to bless the entire world. How do we see hints in these Scriptures. •Read "The Advent of Love" (panels 10-11). The Christmas story is more than the story of a tiny baby. Jesus was sent to earth to "seek and save" us. How was Jesus similar to us? How is he different? •Read Isaiah 53:5-6. What was the greater purpose for Jesus' life? How did he redeem us? Why is Jesus good news for all people? •At the time of Jesus' birth there was war and destruction. Within a few years of Jesus' death, Jerusalem and the Temple were destroyed. What hope does Jesus bring to a dark world? •Jesus died, rose again, and ascended into heaven where he intercedes with the Father on our behalf. What is our response to Jesus? What claim does he have on our lives? Have you ever asked him to forgive your sins and be Messiah and king of your life?

Called and Equipped Karen Wheeler 2023-08-23 Teaching isn't a glamor job. People don't go into teaching to become rich; they become teachers because they want to make a difference, to touch the future. They feel called. But lately, COVID-19 pressures, political astigmatism, a strained economy, mental health crises, and even gun violence have piled on more stress so a career that begins with an honorable calling sometimes sinks into mediocrity, even survival. *Called and Equipped*, by author Karen Wheeler, was born of a need that was inspired by long, frustrating, and harried days as a teacher navigating the rough seas of public school while trying to maintain some semblance of a faithful Christian in practice. The vehicle in this study is a teaching environment, but this vehicle can go many places. While it is written from a teacher's perspective, non-teachers have taken the study and have found it very relatable and easy to transfer to their unique work and life situations. Wheeler takes a journey through the Bible, a walk with Biblical characters who were often called into harrowing circumstances but were supported and equipped by God each step of the way. The lessons they learned are teachable moments for us. Through humor and insight, these lessons can still call and equip us in workplaces today.
