**An Eagle Tells Flying Stories with Associated Drivel** John Murphy 2012-10-15 This book is about a shy boy, who learned discipline from strict parents and seven years of Parochial School. My ten years in a band taught marching. A graduate mechanical engineer, who loved to fly control line model airplanes, was commissioned a 2nd Lieutenant, and found the Air Force a piece of cake. The Air Force taught me to fly, although I had little desire to do so, and pushed me to be an extremely aggressive pilot. Skill, knowledge, and training allowed me to advance through the highest performance jet aircraft during the time period of 1955 through 1984. Jet aircraft flown were the T-33A, F86F (Sabre), F100 (Series A, D & F Super-Sabre), F105 (B & D Thunderchief), and the F110 (F4D Phantom). My stories progress from Primary Flight School, through all training and missions in the above aircraft as Pilot, Test Pilot, Instructor, and Air to Air Fighter Pilot. Few understand the training and life of an Air Force Pilot, so the Drivel shows a portion of life with these interesting, actual flying stories. A most enjoyable read!

**Crossing Over** Daryl Joyce 2015-05-01 The third son of a farmer, born in the small town of Kooweerup in rural Victoria during the Second World War, author Daryl Joyce was a sensitive Australian boy who realized there was life beyond his parents farm. In Crossing Over, he narrates his story as he found his way in the

world, navigating all of the challenges that came along. Joyce tells about his formative years in post-World War II Australia with his brothers on the farm. Struggling with his own abiding sexual dilemma in this parochial environment, he finally spreads his wings in the city of Melbourne before embarking on a life-changing journey by ship to swinging London. He and his English soul mate from the ship enter into Britains late 60s youth revival. In Crossing Over, Joyce shares how he ultimately had to choose between continuing his hedonistic lifestyle or starting a family with the girl he met on the ship crossing over. After nearly two decades, he returned to Sydney, a prodigal son of sorts, where he settled back into the Australian lifestyle, guiding his aging parents in their final days. Joyce tells a story not of merit or reward, but about departure, adventure, and homecoming.
