Winning Ways to Witness David Hartman 2023-07-01 In *Winning Ways to Witness*, David Hartman offers practical guidance on reaching others for Christ by using one of seven witnessing styles: prayer, friendship, service, testimony, invitation, conversation, and proclamation. Each style is explored in depth, encouraging readers to choose the approach that best fits their temperament. Hartman also emphasizes adapting one's witness to the unique faith journeys of others, making evangelism a more personalized and respectful experience for everyone involved. The book covers essentials like sharing the gospel, giving personal testimonies, leading simple Bible studies, and even preaching evangelistic series. It encourages a lifestyle of evangelism, both individually and within church communities. Each chapter concludes with discussion questions, making this an ideal resource for small groups or church training. Through practical advice, biblical examples, and relatable stories, Hartman equips readers to witness with confidence and joy. This book is designed to spark a witnessing revolution in your life and church!

My Talent from the King Tim Clark 2021-06-23 *My Talent From The King* book is a gift from God to me. As I began my journey after finding Jesus, He began to show me and teach me wonderful things about His holy Word. He said in John 14-15 that He would give me a Comforter that would teach and guide me into all truth. This book has summaries of different topics throughout the Bible. There are even a few testimonies written in this book. This book was written to be a disciple (Matthew 28:19-20), to go where I couldn't go, into people's homes and lives as they read and found out truth versus the error of false teachers, and I thank God for giving me this gift to share with my brothers and sisters so that we can come to the truth of Jesus. Christ said, "And ye shall know the truth and the truth shall make you free." In John 10:1-5, Jesus speaks saying to us, "Verily, verily, I say unto you, He that entereth not by the

door into the sheepfold, but climbeth up some other way, the same is a thief and a robber. But he that entereth in by the door is the shepherd of the sheep. To him the porter openeth; and the sheep hear his voice: and he calleth his own sheep by name, and leadeth them out. And when he putteth forth his own sheep, he goeth before them, and the sheep follow him: for they know his voice. And a stranger will they not follow, but will flee from him: for they know not the voice of strangers." In John 10:14-16, Jesus says, "I am the good shepherd, and know my sheep, and am known of mine. As the Father knoweth me, even so know I the Father: and I lay down my life for the sheep. And other sheep I have, which are not of this fold: them also I must bring, and they shall hear my voice [my truth which I have spoken]; and there shall be one fold, and one shepherd."

Revelation in the Song of Songs Vola Masoandro Andrianarijaona 2025-01-29 Song of Songs, or Shir Hashirim, is a very special book of the Bible for many reasons. For example, it is the most metaphorical, opening the door to many different interpretations that do not oppose each other. It is also one of the books that does not contain any of God's names, at least in the most used versions of the Bible. It holds quite a few Guinness Bible Records in terms of word occurrences and word first appearance. In light of this, Song of Songs should be fascinating, but most studies of it have followed a narrow and limited path. The book has often been seen as primarily a story about a woman and a man deeply in love. And it certainly contains that aspect in striking detail. Some parents would not dare read it aloud in front of their children. Sermons based on verses from Song of Songs are almost always linked to marital relationships or something similar. But is that all this book is about? Certainly not. In fact, the Son of God used a connotation found only in Song of Songs, in the last prophecy he gave on his way to Calvary. The study of Song of Songs alongside the book of Daniel and Revelation hints of prophetic aspects. For example, Song of Songs describes in detail the seven churches of Revelation. It also alludes to the two statues of the book of Daniel. And the four beasts? Yes, they have their allegories there as well. God's laws? Of course. Even the sealing of God's people was not left out. Country living? There is no way to miss it. The Great Controversy and how it ends: this is perhaps the greatest message of the book.

What Every Seventh-Day Adventist Should Know About the Shepherd'S Rod Garrick D. Augustus 2018-08-09 If you are a Seventh-day Adventist Christian, you have no doubt heard of The Shepherd's Rod, a message of present truth and reform first presented to leaders of the Seventh-day Adventist Church in the years 1929 and 1930. It has created much controversy. In What Every Seventh-day Adventist Should Know about The Shepherd's Rod, author Garrick D. Augustus brings to light the historic and the theological reasons behind the rejection of The Shepherd's Rod message. It exposes the systematic misinformation, as well as the willful manipulations of the facts surrounding Victor Houteff and the movement he began more than eight decades ago. It provides clear and accurate answers to the questions raised against the Rod's message. And, it answers the objections church leaders have historically offered as "proof" against its bearing the credentials of inspiration. Augustus fused the forensic methods of evidence analytics, as well as the investigative method of internal evidence analysis, to the claims brought against the message by the leaders of the Seventh-day Adventist Church. His research took him from the Heritage Library in Loma Linda, California, to The Biblical Research Committee in Silver Spring Maryland, and beyond. What Every Seventh-day Adventist Should Know about The Shepherd's Rod journeys through the pages of history and helps to separate truth from propaganda. It takes a fresh look at an old controversy that began in eternity past and has played itself out in the rank and file of Seventh-day Adventism.
