[Directory of Web Sites](#) Graham Bennett 1999 Overloaded with the mass of information on the Internet? Frustrated by how difficult it is to find what you really want? Now you don't need to spend hours browsing around the Internet or grappling with the huge number of "hits" from an Internet search engine: the Directory of Web Sites will take you straight to the best educational sites on the Internet. From archaeology to zoology, from dance to technology, the Directory provides information more than 5,500 carefully selected Web sites that represent the best of what the Internet has to offer. The sites are grouped by subject; each one features a full description; and the text is complemented throughout by screenshots and fact boxes. As well, sites have been selected purely on educational merit: all sites with overtly commercial content and influence from Internet providers have been excluded.
