The Truth about TMJ Jennifer Hutchinson 1994 Called the biggest fraud in medical history, TMJ afflicts up to 10% of the population--mostly women--with excruciating pain in the jaw joint. Each year, up to a million new women seek medical treatment for TMJ problems. Sufferers who submit to invasive treatments such as surgery rarely get better. They can lose everything: spouse, job, income, their medical insurance & their savings--some even become suicidal. How can this go on? Because to some who make a good living on TMJ treatment, TMJ stands for The Money Joint! THE TRUTH ABOUT TMJ is the first TMJ book written from the patient's perspective by JENNIFER HUTCHINSON, editor of The TMJ Report. Tells TMJ sufferers how to avoid medical pitfalls that can destroy their lives. Sufferers learn safe, simple ways to help themselves, take control of their lives & effectively deal with decisions about surgical options, implants & insurance problems. Cold comfort farm Stella Gibbons 2020-05-05 Cold Comfort Farm is a comic novel by English author Stella Gibbons, published in 1932. It parodies the romanticised, sometimes doom-laden accounts of rural life popular at the time, by writers such as Mary Webb. Following the death of her parents, the book and 's heroine, Flora Poste, finds she is possessed "of every art and grace save that of earning her own living". She decides to take advantage of the fact that "no limits are set, either by society or one and 's own conscience, to the amount one may impose on one and 's relatives", and settles on visiting her distant relatives at the isolated Cold Comfort Farm in the fictional village of Howling in Sussex. The inhabitants of the farm - Aunt Ada Doom, the Starkadders, and their extended family and workers - feel obliged to take her in to atone for an unspecified wrong once done to her father.
