Chasing Temptation Joya Ryan 2014-10-20 A sexy category romance from Entangled's Brazen imprint... Good things come in naughty packages... What does it take to turn a good girl bad? Sick of her interfering brother nosing into her love life—and by proxy, her sex life—Penny Diamond has decided she needs a break from her “girl next door” reputation. And she knows exactly who can help her... Tall, lean, and impossibly intense Sebastian Strafford is rumored to have a sexual appetite with a decidedly wicked flavor. Unfortunately, he's also her brother's best friend. Sebastian doesn't do relationships. Getting involved with Penny—and giving into that carnal thirst he's tried to ignore all these years—is just about the worst idea ever. But he'll be damned if she turns to anyone else for her “education.” So Sebastian makes her a deal: just two weeks to indulge in every sensual sin imaginable. Now he just has to keep himself from falling for the good girl. Especially when she's so deliciously bad...

Blackmailed By The Hero Julie Particka 2015-08-11 Party planner Vicky Stone is on a post-divorce mission. Not only does she intend to land her dream promotion, she's going to indulge in a night of hot hook-up sex. Preferably with the hunky actor she just met at a work function, no-fraternization rules be damned. Fortunately, his drunken directions included a right that should have been a left, landing her in bed with her brother's extra-hot, extra-off-limits best friend instead of the unemployment line. And, oh, he feels good. Too good. Bad boy Dante Palladino's forbidden fantasies are about to come true...until Vicky realizes who she's feeling up. And to find out she risked her job for sex with some loser? Not on his watch. Dante throws down the ultimate, albeit self-serving, blackmail. Vicky will date him—and only him—and her secret will be safe. But Vicky swore never to fall for another guy who could break her heart...and

Dante's on course to do just that. Each book in the Gone Hollywood series is STANDALONE: * Tempting Her Fake Fiancé * Blackmailed By The Hero * Playing the Perfect Boyfriend

Recipe for Temptation Gina Gordon 2015-08-12 A sexy category romance from Entangled's Brazen imprint... She's the woman he loves to hate. Penn Foster wants a lot of things. She wants a spot on the board of a charitable foundation. She wants to win the stupid, plastic family trophy. And more than anything, she wants her tall, hot, and brooding boss naked in her bed. Now, on a Hawaiian vacation with her family, she's desperately trying not to think about how he'd sound whispering dirty things in her ear. He's the man she can't have...or can she? Cole Murphy keeps himself locked down, away from the press and out of the spotlight. Still haunted by a traumatic childhood, his ability to trust has been decimated. Penn, with her sexy body and confidence, is the only person able to drag him out of his shell. Which is why he crashes her vacation and accepts her proposition for no-strings sex. But is the inescapable heat building between them a delicious temptation, or will it end in total disaster?

Losing Control Nina Croft 2013-08-12 *Losing Control (A Babysitting a Billionaire Novel)* by Nina Croft Four years after escaping her abusive ex-husband, Kim finally believes she's in control of her life and her emotions and she's determined to never risk either again with a man. She has a great home, a job as a security specialist which she loves, and Jake for a best friend. But things are a tad lonely in the sex department, so she decides to embark on a no-strings-affair with one of her hot co-workers. And who better to help her remember how to lure a man than her best friend? Jake has wanted Kim from the moment he first saw her, but four years ago, she was too young and too damaged. So he kept her close and he kept her safe, offering her a job in his security company and the training to feel safe again, and he bided his time. But now, after the long wait, if she imagines he's going to stand by while she

seduces some other guy... Never going to happen.

Amara Maria Robles is a good girl. So good that she gave up her dreams of becoming a renowned pastry chef to help her parents with their struggling Mexican bakery. Yet her parents reject any changes she suggests, and refuse to sell her mouth-watering confections. Clearly being a good girl isn't paying off. So when her brother's sexy ex-best friend walks into the bakery, Amara's tempted to be very bad indeed... After a scandal twelve years ago, resident bad boy Eric Valencia has returned to make things right with his family and friends. One glance at Amara and her wicked curves, however, and Eric finds himself thinking about how she'd feel beneath him-something he promised Amara's brother he would never think about, let alone do. But this bad boy is in deep trouble...because Amara's determined to have her cake, and Eric, too.
