Cartridge Reloading in the Twenty-First Century Charles T. Richards 2013-10-08 A

comprehensive guide to modern cartridge reloading, *Cartridge Reloading in the Twenty-First Century* provides detailed information about getting started in reloading, selecting the basic tools needed, and choosing your components as well as step-by-step instructions for reloading rifle and handgun cartridges and how to test your loads at the range. The text is supplemented by more than one hundred detailed photographs that illustrate the various types of reloading equipment available and provide guidance in performing the actions that result in a handloaded cartridge. *Cartridge Reloading in the Twenty-First Century* covers many common problems the handloader may experience, provides unique information about reloading the .50 caliber BMG, and highlights the changes between reloading in the twenty-first century and reloading in the mid-twentieth century. Not only for beginners, *Cartridge Reloading in the Twenty-First Century* offers advanced reloading information that describes special reloading tools as well as techniques for

improving the accuracy of your handloads. The content of *Cartridge Reloading in the Twenty-First Century* will appeal to both someone considering reloading rifle or handgun cartridges as well as a person who already has acquired some experience in cartridge reloading.
