Imagine walking into a big 4 interview and knowing the type of questions that you will be asked and how to answer them? Wouldn't that feel amazing? That what the Big 4 Interview Questions book offers. Blow the big 4 recruiters and big 4 partners that you interview with away with your confidence and knowledge after you read this book. We've made the questions in our interview book so thorough so that you won't

stumble on any questions on your big 4 interviews. Brought to you by the team behind the Amazon ebook -- The Big 4 Accounting Firms Recruiting Guide We are a team of Certified Public Accountants ("CPA's") who work at the Big Four (Pricewaterhousecoopers, KPMG, Ernst & Young or Deloitte). This book will help you shed your fear of not having enough knowledge about the big 4 interview process and how the big 4 operate. You don't need to know every single thing about how the big 4 operate, but we focus you in on the key simple areas that will 10X your chances of being one of the top big 4 candidates. The format of the book is to first provide you with the question that will be asked in the interview. Then we provide the reason around

why the big 4 ask that question. Then we give what a bad answer would be to the questions, and what a good answer would be. The reason we formatted the book this way is to help you understand the types of questions that you will be asked and why you are being asked those questions. There are too many times where I have interviewed candidates, and they answered with an inappropriate answer. They didn't respond inappropriately because they are stupid or bad people. They responded inappropriately because they didn't practice or no one taught them how to interview. There are several categories that the big four public accounting firms like EY, Deloitte, PwC and KPMG test you on when they interview you. We try to cover as many of the categories as possible in this book. The big 4 interview questions are split into these categories. The skills that the top 4 accounting firms will test you on are:

1. Ability to face change
2. Ability to learn on the job
3. Your courage and integrity
4. Your client relationship

skills5. Can you build and sustain relationships?6. Can you coach others?These and many other categories are covered in the big 4 interview questions books.
