Financial Management for Public, Health, and Not-for-Profit

Organizations Steven A. Finkler 2019-01-02 "No other textbook does a better job of providing public administration students with the financial skills, vocabulary, and knowledge that are necessary for successful careers in government, nonprofit, and health care." —David Matkin, University at Albany - SUNY Reflecting recent changes in accounting standards, this Sixth Edition of *Financial Management for Public, Health, and Not-for-Profit Organizations* provides a comprehensive yet practical introduction to the financial decision-making and management skills required of students and practitioners in the public, health, and not-for-profit sectors. Assuming that readers have no prior training in financial management, the authors artfully combine the principles, theory, and analytics of accounting and finance. In every chapter, a wide range of exercises, case studies, and problems help students develop strong financial assessment and judgment proficiencies while reinforcing the essential mechanics of accounting.
