the score you need the first time around. Losing points on the ACSM CPT (Certified Personal Trainer) can cost you precious time, money, and effort that you shouldn't have to spend. What is in the book? In our ACSM CPT (Certified Personal Trainer) study guide, you get the most comprehensive review of all tested concepts. The subjects are easy to understand, and have fully-explained example questions to ensure that you master the material. Best of all, we show you how this information will be applied on the real exam; ACSM CPT (Certified Personal Trainer) practice questions are included so that you can know, without a doubt, that you are prepared. Our study guide is streamlined and concept-driven not filled with excess junk, silly attempts at humor, or confusing filler so you get better results through more effective study time. Why spend days or even weeks reading through meaningless junk, trying to sort out the helpful information from the fluff? We give you everything

you need to know in a concise, comprehensive, and effective package. Why trust Trivium Test Prep? Our ACSM CPT (Certified Personal Trainer) study materials are created by industry and educational experts. Other study guides simply tell you what is on the test, not how that material is applied or, more importantly, HOW TO STUDY FOR IT. Trivium study guides are different. Our dedicated professionals know how people think and learn, and have created the ACSM CPT (Certified Personal Trainer) study guide based on what research has shown to be the fastest, easiest, and most effective way to prepare for the exam. Unlike other study guides that are stamped out in a generic fashion, our ACSM CPT (Certified Personal Trainer) study guide is specifically tailored for your exact needs. We refuse to pad a study guide as a means to convince people there is more information; this is a devious trick used to make you think you are getting more, when
